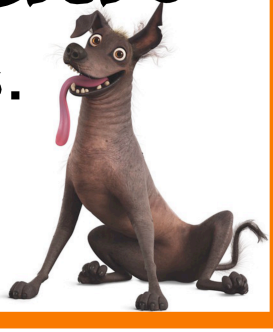
Looking for a big gift? We will find that later. First, go to the place you'd park Lightning & Mater.

The next treat is yours for keeps! You can find it where Coco's Dante sleeps.



Now take a break and have a good think. Where you can find Sully from Monster's Inc.?

You'll like this next gift and you may think it's funny. Open the door where Pooh keeps his honey.

The next prize is really quite near. The Little Mermaid can find a dinglehopper here.

The next gift is waiting inside. When Andy is coming, this is where the Toys hide.
